EXPERIENCE

CoStar Group - Product Design Intern

Richmond, VA — 06/2025 - 08/2025

- Designed and implemented product features for internal tools, applying Object-Oriented UX and design systems to improve usability and business operations.
- Collaborated cross-functionally with PM's, developers, and senior stakeholders through whiteboarding sessions and design critiques to translate business needs into user-centric solutions.

PERSONAL PROJECTS

Career Insights Dashboard

Summer 2026

- Designed a centralized AI-powered workspace that transforms unstructured conversations, notes, and career experiences into organized insights through semantic search, intelligent tagging, and automated summarization.
- Created dashboard concepts and visual analytics experiences that surfaced trends, recurring themes, and career growth opportunities from unstructured data.

Rams Heal

Fall 2025

- Designed a mobile-first mental wellness platform aimed at increasing belonging and making support more accessible for Black women at VCU.
- Conducted 10+ user interviews and usability tests to identify accessibility and belonging challenges, translating insights into iterative design improvements and feature decisions.

EDUCATION

Virginia Commonwealth University (VCU) - BS, Information Systems, Minor in Visual Effects

Richmond, VA — 06/2026

LEADERSHIP

National Society of Black Engineers (VCU) - Director of Media

Richmond, VA — 06/2025 - 05/2026

- Led social media and content strategy (150+ assets), increasing engagement by 30% with consistent branding, storytelling, and community-focused campaigns. Contributing to VCU NSBE's national recognition as The Most Distinguished Chapter of the Year at the 2025-2026 NSBE Convention.

Management Leadership for Tomorrow - Career Preparation Fellow

Remote — January 2024 – July 2025

- Accepted into a selective 18-month professional development program for high-achieving diverse talent.
- Completed business case studies and assignments to grow leadership and technical skills.

SOFTWARE

Figma, Adobe Creative Suite (After Effects, Premiere Pro, Photoshop, InDesign), Framer, Webflow, HTML, Python, JavaScript, C#, Slack, Generative AI Tools (Cursor, ChatGPT, Claude Code)
